WE ALL HAVE TO TAKE CHANCES IN LIFE. AND MANKIND WOULD BE VASTLY POORER TODAY IF IT HAD NOT BEEN FOR MEN WHO WERE WILLING TO TAKE RISKS AGAINST THE LONGEST ODDS.

BERNARD BARUCH
(1870 - 1965)

If you were to choose the life you wanted to live... would it be exciting and fun or just routine?

Well, this is a great opportunity to expand the benefits of people that attend concerts to include ownership of the enterprise.

You can start immediately and receive weekly commission checks (sign up at DHproject.info). Or you can buy a ticket and own part of what could be a world wide music phenomenon.

There are no guarantees in life, but once in a while an unique opportunity comes along.

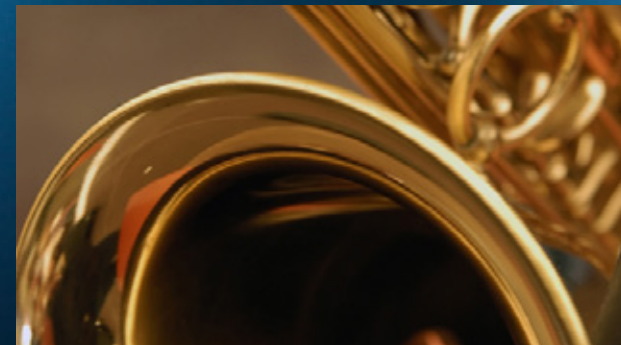

The purpose of this music project is to present a Valentine's Day Concert for 60,000 people at a major Miami venue sponsored by you the owners of this new enterprise. We will introduce the David Hamilton music created over a period of 20 years as a basis for a new ongoing business plan where the benefits will not be restricted to a

few transient super stars but will now be shared by the people willing to take a chance and make a very positive change.

Wouldn't it be nice to not merely go to a great concert but share in the success and ongoing benefits that you as an owner would receive. With your help and purchase of a ticket you can make this a reality. Think of the future possibilities when we make this an annual event, introduce and help new talent and simulcast world wide.

So you can understand the nature and message of the songs, please visit our website (davidhamiltonproject.com). Listen carefully and give us your feedback. Many of these songs are already being streamed on Spotify and other online distributors.

You can help popularize these

compositions by telling friends and boosting our presence.

Your ticket number is very important in regards to your future benefits from the success of the David Hamilton project. I'm not going to promise you things that I cannot provide, but I will give you my word that with the success of this project you will receive rewards.

Thank you for taking the time to review the David Hamilton Project.
